

ALGEBRA AND GEOMETRY CAMP

JOIN THE FUN!

Camp will be held here at Booker T. Washington Middle School, August 14-15, 2017, from 9:00am-1:00pm for rising 7th and 8th graders.

There is no cost for your child to attend this program. **Parents would need to provide transportation to/from BTW.** Classes will be taught by our BTW Math team.

Some of the topics to be addressed: Algebra I: Operations with integers, fractions and decimals; solving equations; order of operations; vocabulary; Geometry: Operations with integers, fractions and decimals; solving multi-step equations and inequalities; number properties; graphing using slope; vocabulary, and a computer-based component (Geometer's Sketchpad).

If you would like to have your child attend our "Getting Ready for Algebra/Geometry" summer program, please call the office (928-6860) or email at amy.ziemba@nn.k12.va.us by August 7, 2017.

Students do not have to bring any school supplies with them nor do they have to come in dress code clothing. They should **bring** a snack.

HOPE TO SEE YOU!
