

PI DAY!!!

Traditionally, middle school students celebrate PI day on 3.14 (March 14) and say "Happy Pi Day!" at 1:59 p.m. (Pi is 3.14159...). Our Math classes will be having PI Day on **Tuesday, March 21st**. We will have a Pi memorization contest, a Pi decorating contest, and sing Pi Day songs.

Each student may bring in one of the following items: Frisbees (for prizes), small paper plates, napkins/forks, or a **pie** of any kind. Students may bring contributions in the morning or send in advance.

If your student has food allergies, please send in a special snack labeled with students' name and grade so your child may participate in the eating part of Pi Day!

We need volunteers! If you can sign up to help us out, please let us know!

Return to student's MATH teacher. Thank you!

We will contribute:

- napkins or plastic forks
- small paper plates
- PIE!
- Frisbee
